SOCIAL · ENTERTAINMENT | PRODUCT DESIGN

Gameboggy and Aoyo

Responsive social and entertainment experiences: chat, forums, rich media and data dashboards.

PLACEHOLDER: replace this file with the final case study PDF.

PROBLEM

Social and entertainment products needed responsive, engaging interfaces.

MY ROLE

UI/UX Designer

KEY DECISIONS

- Designed chat, forums and rich-media layouts
- Created data dashboards for clarity
- Kept responsive behaviour consistent

OUTCOME

Confidential client work. Results and a walkthrough are shared on request.
